

## Bangladesh Rural Electrification Board

### Future Project's Information :

Sl. No.	Name of Project's	Project period	Project Cost (Lac. Taka)	Expected Source of fund	Remarks
01	Rural Electrification Up-gradation Project- Phase-2 (Rajshahi, Rangpur, Khulna & Barisal Division)	01/07/2016 to 30/06/2020	486407	JICA/ KfW	DPP will be prepared after getting assurance of project aide from Development Partner
02	Up-gradation of Rural Electrification Distribution System ( Dhaka, Mymensingh, Chittagong & Sylhet Divisions)-2 <sup>nd</sup> Phase	01/07/2017 to 30/06/2020	234465	IDA	DPP will be prepared after getting assurance of project aide from Development Partner
03	Replacement of Overloaded Distribution Transformer Providing Reliable Electricity under Rural Electrification Program	01/07/2016 to 30/06/2019	139000	G to G (China)	Preparation of PDPP is on progress
04	System loss reduction by replacing 5 Million Electro-mechanical Energy meter with Electronic Energy Meter.	01/07/2016 to 30/06/2020	475000	G to G (China)	Preparation of DPP is on progress
05	Replacement of 5000 No Diesel Irrigation Pump to Solar Irrigation Pump Project	01/07/2016 to 30/06/2020	164566	ADB	Making process DPP will be prepared after getting assurance of project aide from D.P
06	Up gradation of 33/11 kv Substation with Bay-Breaker at Respective Project for Rural Electrification Program	01/07/2016 to 30/06/2019	300027	ADB/ KfW	DPP will be prepared after getting assurance of project aide from D.P
07	Modernization of BREB (Dhaka & Mymensingh, Division) Distribution System by Introducing Central SCADA, smart Grid & Pre-Payment e-Metering System (Phase-1)	01/07/2016 to 30/06/2018	135720	KfW	DPP will be prepared after getting assurance of project aide from D.P
08	Capacity Development Project for Rural Electrification Program	01/07/2016 to 30/06/2018	9300	ADB/ KfW	DPP will be prepared after getting assurance of project aide from D.P
09	Establishment of Lab Facility for Material and Equipment Testing	01/07/2016 to 30/06/2018	212000	IDA/JICA	DPP will be prepared after getting assurance of project aide from D.P
10	Conversion of Overhead Distribution Systems into Underground Electric Distribution Network	01/07/2017 to 30/06/2020	150000	ADB/G to G/ KfW/ IDA/JICA	Feasibility study is on progress.
11	Distribution Network Expansion for Electrical Connection in Economic Zone of Bangladesh	01/07/2017 to 30/06/2019	40194	G O B	Preparation of DPP is on progress
12	Remote e-Metering for HT Consumers	01/07/2017 to 30/06/2020	212000	ADB/G to G/ KfW/ IDA/JICA	Preparation of PDPP is on progress
