INFORMATION FOR APPLICANT																					
13	Brief description of the Project.	The Rangpur Palli Bidyut Samity-1 service area consists of Mithapukur, Pirgonj, Pirgasa, Sudullapur & Sundorgonj Upazila. The Objective of the PBS is to provide electric power and energy to each village located within its geographical/service area for irrigation pumping, food processing, cottage industries and other small big industries, commercial centers, health and social services and family dwellings. This objective is to be achieved through the Area Coverage Rural Electrification (ACRE) concept by constructing, operating and maintaining lines up to 33 KV, extending lines from existing distribution system. Each potential consumer within the PBS service area may become a member of the PBS, the membership being obtained by application and payment of nominal subscription fee. Providing electric power and energy to its consumer-members at the lowest cost possible consistent with sound economy and good management is a prime prerequisite of the PBS.																			
14	Scope of service	1. Field Investigation load data collection, Design of distribution system and Review of master plan. 2. Design, staking and supervision of new lines and sub-station, PDB taken over lines and Sub-Station and preparation of bill of materials of these. 3. Preparation of work plan for taken over line. 4. Updating key map & Detail map and As-Built single line operational diagram. 5. Maintenance, planning and design. 6. Preparation of As-Built Staking sheet and close out documents for line & Sub-stations. 7. Preparation of study report (System Loss, Sectionalizing, power factor, Voltage drop and any other study. 8. Study of sub-station expansion/extensions/ renovation and preparation of layout, foundation etc. 9. System analysis and improvement of it. 10. Other as Required:
